Welcome to 100+ days of ~~summer~~ broker guides!

It's clear that everyone, including long time GameStop holders, are finding and learning about Direct Registration and the DRS at different speeds. So I'm hoping this series of posts helps to raise more awareness that it is possible, and it's even easier than it was at the start of 2022!

If you're looking for a guide for your broker, leave a comment with the following command to summon the DRSGME wizard:

!DRSGME:BCEE!

Just replace BCEE with your broker's name. If you can't find your broker guide, let me know and I'll see what I can dig up!

BCEE is a Luxembourg based broker that can DRS transfer for free! And it's a very simple request to make, especially as a European broker.

BCEE is the only Luxembourg broker I have info on. If you know of any others please share them with me!
