If your shares were covered by the registration and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to either the first-in, first-out (FIFO) for equity issuances or for certain dividend and funds, average cost basis method. Please note that Direct-Link Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2013. Please visit our website or contact your tax advisor if you need additional information about cost basis. Upon request, the Company will furnish to any shareholder, without charge, a full statement of the designations, rights (including rights under any Company's Rights Agreement, if any), preferences and limitations of the shares of each class and series authorized to be issued, and the authority of the board of directors to divide the shares into series and to determine and change rights, preferences and limitations of any class or series.
