Was googling RC ventures and found Bloomberg profile.

<https://www.bloomberg.com/profile/company/1856624D:US>

Which says Ryan Cohen and Miami but also it's written:

RC Ventures LLC operates as a seed and venture capital firm. The Company invests in early stage technology and Internet companies in Bangladesh and neighboring high growth emerging markets.

There is also very strange web site about

<https://rc.ventures>

RAVID CHOWDHURY, FOUNDER & PARTNER RC VENTURES
