IMPORTANT DISAIMER!!!!PLS READ BEFORE SENDING ME TO 200 TURTORUALS ON DRSING  
FROM OTHER PLATFORMS: I already have GME DRSeD in ComputerShare. Did that whole process last  
year. Also Europoor here.

So I want to buy more GME on my CS account but it asks of me banking details that I straight up do not  
have. Is there any way to purchase shares through CS without needing to first buy them through another  
platform and then transferring them to your CS account?
