So I'm watching Blue Mountain State. Sammy just killed the goat on accident in a heroic escape, Travis gets reinstated to the team, and Shiloh is getting a bj from a hooker even though Travis was already back on the team. I'm super vulnerable at this point because of all the action and drama. Then a Little Caesar's commercial comes on and my vulnerability allows me to be seduced by something delicious and comforting. I'm like "Ohh yeah break me off a piece of that pepperoni and cheeesy crust." I'm picturing grease dripping off my chin onto my shirt when suddenly I'm disgusted and enraged. Not sure why until it hits me... This guyyyyy looks way familiar, thanks for pissing me off and ruining my night Gary. GME is not a memestock it's legit stock and going to Uranus baby!!!

Had to go to YT to verify my assumption. No hate towards this guy just wanted to share the find with my funny story.
