Thanks for your email, I hope your day is going well!

We have submitted your request to withdraw 100 shares of GME. Our team will begin processing this shortly and the DRS Statement will be mailed out to the address you provided. This process may take 4-7 weeks, however, given current volumes it's possible it will take longer.

That said, we will be sure to process the request on our end within 7-10 business days. Once the shares have left your Wealthsimple account we no longer have visibility of the shares, though you can expect for the shares to be processed and visible at Computershare within 4-7 weeks from the time that they leave your Wealthsimple account!

We appreciate your patience and will be in touch with additional updates!

Best,

  
The Wealthsimple Team
