Old school ape here.. let these hedge fks loose billions.. not my prob. Cost us nothing to buy. Hold, drs.. gme is in a situation that ive never seen in 30+ years of trading.... ive been here from the get go.. bought through all the prices.. and still hold... wont sell... so let them do there bs... and just hold.. we get our tendies.. they hold their dicks... have a great night.. and be patient...
