First 5 GME shares arrived, yeeeeee :)

i'm officially waiting for the 2nd letter but I think I can start... !DRSBOT:5!

I have other 95 shares in IBKR , the second transfer is kinda fast? (no more letters, right?)

other wise is viable to buy directly on Computer share /sell the rest? Or these sales would hurt ?

Would like to do the best move for all of us :)

thankssss!
