Lyrics from Run the jewels [Ooh La La](<https://m.youtube.com/watch?v=Sff7Kc77QAY>)

*Fuck a king or queen and all of their loyal subjects
I'll pull my penis out and I piss on their shoes in public
People, we the pirates, the pride of this great republic
No matter what you order, mo'fucker, we're what you're stuck with*

Killer Mike sings that part, here's the Run the Jewels

Here are two things that stand out:

- they release free downloads of their music: *El-P began experiencing mainstream success in 2013 when he formed the hip hop duo Run the Jewels with fellow rapper Killer Mike. They have released four studio albums for free, all of which have received widespread acclaim: Run the Jewels (2013), Run the Jewels 2 (2014), Run the Jewels 3 (2016), and RTJ4 (2020).*
- RTJ4 where this song is from: *In an attempt to increase voter turnout for the 2020 elections, Run the Jewels performed RTJ4 in its entirety from a warehouse during a YouTube stream titled Holy Calamavote (a reference to their song "Holy Calamafuck") on October 18*
- here's a Killer Mike quote from 2017: *At some point in the future they are going to try and label us a political rap group, and that we are not, we do not care what political party you belong to, we don't care who you supported, we don't care what you are doing tomorrow politically, we care that socially every one of you know: you are absolutely born free and nothing has a right to interrupt that freedom. We love you.*
