****1) These people came from the top companies in the world:****

* [Full GMEdd.com list of

hires](<https://onedrive.live.com/View.aspx?resid=D645EE2EDB0B6!2167&authkey;=!AMFLvwFiMuIKSHI>)

* Companies include: Amazon, Apple, Google, Microsoft, Facebook, Chewy, Zulily, Walmart, Zappos, Intel, Disney, PayPal, Target, and the list goes on...

****2) They signed on KNOWING:****

* They were not going to get paid nearly as high a percentage in cash as at the career position they were leaving

* And that their compensation would be heavily weighted in GME shares ****THAT HAVE TO VEST****

****3) And they are furiously buying up THOUSANDS and THOUSANDS of shares:****

* With their own fucking cash from their already lower % cash paychecks

* Which they started doing the very second the required quiet period after Q4 earnings release ended

CONCLUSION:

THEY ALL FUCKING KNOW WHAT RYAN COHEN HAS COMING

THEY ALL WANT IN **** RIGHT NOW **** WHILE THE PRICE IS BELOW ASTRONOMICAL

THIS IS WHAT YOU CALL, BULLISH AS FUCK

...

****Oh, and RC himself bought 100,000 fucking shares on top of his already 9 MILLION total, like the glorious mad chairman he is.****

...

CHEERS, YA FILTHY FUCKING BADASS, DRS'ing APES!
