I just saw someone posted NFT Gamestop is currently looking for NFT creator. I've worked in Animation industry as a concept artist and art director for Netflix, Nickelodeon, DreamWorks etc..

You can check my work at : <https://www.nicholas-hong.com/folio>

and my company webiste: <https://koomastudio.com/>

As a shareholder of GME and I've seen how Gamestop has been going through from brick n mortar to e-commerce and now NFT marketplace, I've decided to contribute my skill to them and hope I can bring some innovative idea that other competitors such as Opensea don't have and make unique flavor that only Gamestop has.

Let's see how it goes!
