Sup Apes?

****TL;DR:** As of April 2022 its my pleasure to announce that hedgies r fukd. Institutions and so on with >=5% holdings, Directors & Executives just own 30% of GME. ******

As you can see below the 14A reveals highest level of dispersed ownership of our beloved GAMESTONK. So Apes, lets see how >50% of GME shareholders will vote, shall we?

****Each holder of 5% or more:********As of April:****
