Hi Everyone,

Long time lurker here, but an avid ape and follower of all things GME. I had the pleasure of meeting Joanie Leigh Klar earlier this week and she told me about a documentary that she's working on called "Stop Wall Street Abuse", a follow up to Kristina Leigh Copeland's documentary "The Wall Street Conspiracy" which we all know and love.

I asked her if they intend to do any investigation on GME and it sounded like it might be a central narrative in the documentary. They are raising money to get this movie produced so I encourage you to donate whatever you can. Below is their IndieGoGo campaign:

This is an important story that needs to be told! We can't let Wall Street get away with these crimes!
