****TLDR:** The Citadel investment funds for employees that I previously mentioned and can basically make any trades they want and co-mingle funds with past employees has to file holding reports! And on them we see not only the SPACs (916 results when searching for the first half of "Acquisition" as the previously mentioned warrants and calls that would be required to actually carry out this "strategy of collateral generation."******

If you haven't seen the other posts please check out my profile and I will link this one to them!

So With everything we have been seeing regarding ETFs and their risk to financial stability I thought we would start by searching EDGAR for Arca and Citadel to see if there was a connection and sure enough we found great stuff!

<https://www.sec.gov/edgar/search/#/q=Arca&entityName;=Citadel>

[13F-HR? What is that?](<https://preview.redd.it/khctj4d5uig81.png?width=1535&format;=png&auto;=webp&s;=ad3b8727c87a9fa2b40de6e5afac8cbbce8b0a86>)

Well here is what it is! Its another disclosure, but this would be the disclosure by the funds they are using from my last DD!

[Got it, so lets see them!](<https://preview.redd.it/oaym5ekfuig81.png?width=792&format;=png&auto;=webp&s;=2a1239f867d5c579749fa21aaf8722a9fdef1731>)

So these things give a truly overwhelming amount of data, but just for fun I started typing in "acquisition" and well:

[Yea 916 results!](<https://preview.redd.it/b6kcggyg5vig81.png?width=1861&format;=png&auto;=webp&s;=1c48227623d49a0db8dbbcc4be2f478d56a86fef>)

So we know the SPACs are on here, lets see if we can find out more about how they have been using them.

[What do we see?](<https://preview.redd.it/lafqcn7gvig81.png?width=1905&format;=png&auto;=webp&s;=d209b55c9991e9addde93d81436c50bd0e6bb603>)

****CONFIRMATION BOYS AND GALS!****

****In the 2nd Column we see WT for Warrants as I previously mentioned!****

****We also see that they have calls on the SPACs as well!****

More to come as usual, but felt this was important enough to get started with! Especially since it confirms my prior DD

I also looked for GameStop on their holdings report and will you look there!

[This was 2021](<https://preview.redd.it/55wnw3nzwig81.png?width=1899&format;=png&auto;=webp&s;=319684f8dd9ce60647c72df5f5a1e0e7371d4a2e>)

Here is the 2019 search for GameStop

From here we decided to see if we could figure out more of who is holding the bag!

How? We copied the ID number for GameStop from this filing and searched for everything with it! Guess who we found!?
