Just wanna ask did I fuck something up or is it all good in the end. Also if someone else retarded as me did the same thing.

So what I did is requested a DRS transfer of 1 GME share through IBKR like a month ago. Still waiting for the first letter but in the meantime, I sent another 5 GME shares to DRS.

Should I have waited to receive the letter first, and send the other 5 after I got the letter, or will it be all the same in the end?

Id appreciate the answer/explanation if someone is willing...

Cheers,

Croape (extraretarded)
