Just curious how news of the GME NFT marketplace and crypto/corporate partnerships will be released to the general public? Are we waiting for an official Gamestop press release? An SEC filing? An email to rewards members?

Seeing Jimmy C's tweet yesterday calling for 'Ryan' to provide a roadmap got me thinking about how this is going down. Do you think the announcement would provide some direction as to where the company is going? Not necessarily for our benefit, but for the general public at large.

It irked me that Jimmy referred to him as 'Ryan' - I mean I get that's his name but is he really on a first name basis with him? Seems disrespectful.
