

Title: I'd like to start interviewing GME holders one by one but I'm behind I and could use some help with editing the videos I already have.

You see, I did this with a few celebrities/professional athletes and never edited/uploaded all of the videos. I asked questions that would lead them into telling stories from their lives. For example: "if you wanted to impress someone when first meeting them what story would you tell?" Or "what's the most embarrassed you've ever been?" Etc. I had the opportunity to get some stories from George Jung (Johnny Depp played him in the movie "Blow") right before he died and he told me a hilarious story about losing his virginity. I have a couple of actors from Game of Thrones (Rheagar Targaryen and Ser Dontas Hollard), as well as A 2 hour interview with Jim Dechamp from Nitro Circus about him and Travis Pastrana Growing up. Even have a couple of NFL players, Secret Service Agents, and a Saturday Night Live writer.

I also legally have permission to make NFT's out of Tim Wakefield's Knuckleball and Chris Hansen's catchphrase he always said on "To Catch a Predator" ("why don't you have a seat"?)

Would anyone be interested in hearing more about your fellow GameStop apes? And is there any volunteers to help me with the editing of videos I already have?
