TLDR: Florida has very broad asset protection laws for people on the wrong end of lawsuits or property seizure. OJ Simpson moved there for this reason, and so did Kenny.

Ken Griffin is FAMOUS for Loving Chicago. ****Notorious**** is probably more correct. He beat his Bride with a Bedpost for trash-talking Chi-Town, and he is a massive political donor in Illinois. Let's face it, Kenny Loves those Chicago Weiners.

Recently, Ken started the narrative in the Billionaire media that he was sick of Chicago crime. "Setting the stage" that's called. So, now, he moves to Miami - A place favored by Drug Cartels and no small amount of narco-gangs.

The news stories serve to calm his already spooked but well-heeled clientele. The stories provide plausible deniability that crime is the reason he moved to Florida.

What is the real reason for the Miami Move? The Same reason OJ Simpson moved there. ASSET PROTECTION. The State of Florida has some very broad asset protection laws for folks on the losing end of lawsuits, asset seizure, and so on. Many knowledgeable people claim they are the best in the USA for that sort of thing. So, if you are about to go to prison and/or have a very heavy asset seizure, YOU MOVE TO FLORIDA, and ASAP. You buy the biggest house, and you lock up as many assets as you can in Florida approved hidey-holes. Learn More Here:

Conclusion: Kenneth Griffin would not leave his life in his beloved Chicago if he didn't have to. He would just fly wherever he wants to, and live in one of his many homes. His reason for changing residency is clear to me: THE END IS NEAR FOR HIM.

Keep Up The DRS Pressure, and get ready to RIDE. Ken can move to Florida but he cannot hide from GME.
