Good evening, GMERICA!

Single-wrinkled me felt compelled to utilize my strongest skill— the ability to incessantly talk and educate complicated and obfuscated concepts from medicine and finance in segments I like to call LOTEK HEALTH and WEALTH

I am by no means an expert in anything other than translating complicated ideas into simpler ones and snorting gray crayons (color-blind), so please forgive my fallibility when it comes to articulation of specific details and allow me the honor of sharing "The Everything Short" in 10 minutes. Thank you, kindly.

I am merely a boy on the corner hollering for you to hear the news..

Not financial advice

I live for positive attention and can sing and dance too.

Thank you and WHOOPS - GOD BLESS RYAN COHEN.
