It's odd how after I posted yesterday, [link to post](https://www.reddit.com/r/DDintoGME/comments/uqqrtph_i_and_brka_funny_business_with_possible_relation/), regarding BRK.A and funny business which included an unbelievable large position of BRK.A held by Castleview Partners LLC, that today, they have liquidated 100% of hundreds of positions (source whale wisdom 13F filings). After scrolling through 10 pages (of 50 items per page) I was blocked by a login requirement, but the list of 100% sales with today's 5/16 report date kept going.

I feel we need eyes on this. Perhaps another "glitch", or crime being covered up in real time - who knows?
