I am French and do not have any IRA or 401K so I don't understand the difference between the posts.

■=D ■■■■■=R ■=S : This is the way !

As you know DRS is our ONLY weapon against the Financial Terrorists, we have for remove the shares from DTCC in order to reduce the SHF ammunition to do their fuckery.

As always :

Holy Mary, Jesus Christ, DRS is the way. Continue to transfer, every share count. The float have to be locked up, 100% DRS, no more shitty broker and see you to the moon.

Be The Change You Want To See In The World !
