Yo, whats up apes?! Lurker ape here and can't post to SS so figured I'd start here. I saw u/superheroninja's (big shout out to them for keeping up with the daily Ortex posts!) post from this morning that they were having issues with retrieving the GME Ortex data. I reached out to them about it and we had a quick chat. I told them I could help them out with the data because I have an Ortex account.

Story time to show you all just how retarded I actually am. I signed up for the Ortex 7-day trial and forgot to cancel it before that 7 days was up. So ya boy woke up one day to find a nice fat charge from Ortex on my CC and now here I am with an Ortex account for the next year. You're welcome.

Anywho, moving on to what you all came here for, the data. I'll try to post this every morning, I do unfortunately have to go to my office for work 3 days a week so I may be late in posting, please don't crucify me if that happens. Also, let me know if there is anything else you'd like to see added.

I barely post so I have no clue how this is going to turn out, my bad if formatting sucks.
