Hello friends, it's been almost a year.

Best year of my life. God bless you all.

I never ever lived such an experience, beautiful glorious moments, late nights, sometimes no sleep at all. I only had one thought all of this time.

GameStop.

THANK YOU!

But I'll always be here, reading and living the dream with my brothers, even if I feel totally destroyed inside.

I'm trying to control myself. I can't understand why NOW.

I worked my ass for one year, saving up, investing, dreaming, crying, smiling and the truth...

I was fucking happy.

So now I'm done, basically today I had to choose between losing my house and selling my shares.

It hurt, it still hurts. But I'm strong, you guys taught me that :)

I hope you all the best and really want to celebrate the VICTORY with you all, unlucky I'm worth 0 now.

Take care, NEVER LOSE FAITH.
