"Individuals, who co-ordinated their efforts via a subreddit called 'double-U-S-B', knew that they could exploit this vulnerability."

\*Co-ordinated?\* Whut? I just like the stock!

\*Vulnerability?\* Whut? I think it's '\*\*crime\*\*' you're referring to!

Funny to see how they're turning the narrative here. Trying to get on the right side of history? Trying to get a piece of the cake?

Remember this MSM, we won't forget.

Obligatory battle cry: GME to the moon!!!
