None. News is not reliable. Stories, headlines and "tv appearances" are for sale. Most news stories articles etc. have an agenda whether it's to bash a stock into oblivion or talk up the good stuff to maintain liquidity. News is a lagging indicator to price action learn to read strength and weakness in the charts as that is real time and can't be faked. Remember a billionaire on tv isn't there to help you get rich and most certainly nothing handed to you free will have lasting value
