After arriving from the main island in Hawaii Mayo Force 2 spent yesterday/night at Midway International Airport in downtown Chicago. We'll must not got enough of Holiday festivities because as of about 11:00 AM EST today Mayo Force 2 took off and is currently over the Pacific Ocean and appears to be heading for Hawaii again for New Years Eve ? Strange though Mayo Force 1 is still in Chicago ? Wonder if Kenny boy pulled a switch a roo with his Jets ? Then again maybe not, GME is rising and a certain coin is falling ?
