Hey guys!

I finally decided to DRS as well my XXs, but have some questions.

I did some research and found some instructions how to do it as Revolut EU holder:

[https://www.reddit.com/r/GME/comments/qudsh6/drs\\_from\\_revolut\\_to\\_computershare\\_without\\_third/](https://www.reddit.com/r/GME/comments/qudsh6/drs_from_revolut_to_computershare_without_third/)

But they're all a little different and I'm not sure which path should I choose, and which would be the fastest and cheapest.

Could some other former Revolut EU Ape give me a hint and maybe also tell more or less how much time will it take? Or maybe you have a better guide to DRS.

I'll be eternally grateful!

Thanks in advance!
