The Genesis Crate.

The Genesis Crate is an ERC-721 token (NFT) and central to our economy.

Genesis Crate holders will accrue daily AMMO yield, NFT2040's utility token.

Genesis Crate holders are VIP in our community, and receive various perks

Total supply : 2,527

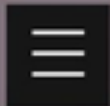

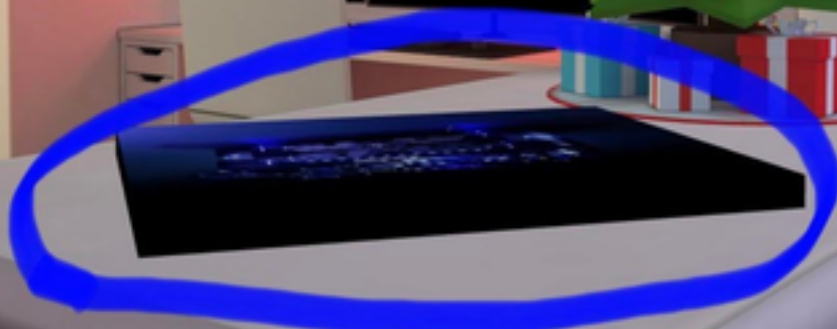

AMMO is necessary to transact within the NFT2040 Marketplace and play Mercenary mode. AMMO will be obtainable on exchanges for players who are not Genesis crate holders. As a utility token, the token will not launch until the main launch of NFT2040.

Upon the full launch of NFT2040, Access Crates NFTs will become available for normal game access. Access Crates will permit entry into NFT2040 matches (casual or mercenary), as well as access to NFT2040 Marketplace exclusives and additional Discord channels. Access Crates NFTs will retail for a price comparable to that of a traditional video game.
