Hey guys one of my first posts,  
I have been loving this shit since! Joined really appreciate everyone willingness to explain things

My question is:

I followed like I read and bought shares of gme on fidelit\* then I told the live chat guy to drs and he said  
blah blah blah and I confirmed confirmed and then I said have a good day 7/12/22

My share are still in fidelit\* however.

What should I do?
