ok guys. check THIS SHIT OUT!!

GOT YOU ON THE RUN KENNY. LIL BISH.

Frogs are cute right? Definitely my favorite animal. mario 3 frog suit man. jumps REALLY high.
Well that's not what he meant.

<https://www.wsj.com/articles/what-are-frogs-1520218800> FROG definition:

There's a new acronym out there that may have implications for investors. It's FROGs, or frivolously related output gaps. An output gap is the difference between an economy's actual and potential gross domestic product. FROGs refer to output-gap estimates for certain eurozone countries that appear to be unusually small, according to a recently published analysis from the Institute of International Finance, based in Washington, D.C. The suggestion is that the strength of some of these economies is being overestimated. The countries identified are mostly on the economic periphery of Europe and include Greece, Spain, Portugal, Italy and Latvia, among others.

oh. OH. okay. well let me check what mcd is up to. incase it meant mcdonalds. NOT ICECREAM.
[MCD Institutional Ownership - Mcdonald's Corp (fintel.io)](<https://fintel.io/so/us/mcd>) shows some INTERESTING patterns.

[SHOWS A HIGH OF \$240](<https://preview.redd.it/3rlp4qb6seg71.png?width=2851&format;=png&auto;=webp&s;=ed40b7b789738c896946c17540ab439724823f8b>)

[added this just for context of options applied](<https://preview.redd.it/qxjbnvr4seg71.png?width=2920&format;=png&auto;=webp&s;=94d7ea5c5ca84d42bae5dfa141b60c8fea06157a>)

let's scroll down the holdings of some. hmm.

[SORTED BY AVERAGE SHARE PRICE](<https://preview.redd.it/ny5hsbmese71.png?width=3642&format;=png&auto;=webp&s;=b8f9e6367009ac7a24940c907133867eca85bc16>)
