If I take a screenshot of an NFT it's exactly the same as owning it right? Just like if someone posts they own 100 B.koin and I screenshot it I have 4.7 million dollars! Why didn't I think of that before? Oh maybe I should start taking screenshots of all the DRS posts! I'll have more shares than Ryan Cohen! As always Buy DRS Hodl Buy DRS Hodl Buy DRS Hodl Buy DRS Hodl Buy DRS Hodl Buy DRS Hodl love me some gme

Edit: changing username to Embarrassed_Bobcat_9
