Hi,

I drs'ed my Gamestop shares from Revolut (drivewealth) before split and shares arrived in computershare on 22th(10 shares drs'ed). Computershare told me the Drivewealth need to give me the new shares. So drivewealth need to give me 30 shares. I send the Drivewealth an e-mail with printscreens from computershare live chat to see the problem it's not on computershare and the response from drivewealth was(photo attached with response):

"Hi ,

Thank you for your patience on this matter. We are working to clarify what the next steps are regarding your request.

We will follow up once we have an update.

Thank you,

Chistopher
DriveWealth Support".

Before the DRS proces start, drivewealth told me about this problem and told me the split shares (that 30 shares) will be delivered to Drivewealth(see photo attached)

My question is, know somebody when my shares should be in my revolut account?

I tried to send a DRS request with that 30 shares but no effect...

P.S.: I'm European
