

Title: I just talked to a very nice paralegal at <https://www.iorioaltamirano.com/> about Gamestop. Make a folder for Robbinhood that includes: statements and comments for purchasing and selling GME made to friends, family, or public that show your intention of buying Meme basket. Be patient. Small Fam.

Hi everyone,

Robbinhood is in deep doo doo. Best put money can buy ;) I contacted the law firm that posted the Win. It is a small firm and very family friendly.

When it comes to legal leg work for Gamestop, YOU APE are the responsible party. Yeah, you!!! You Ape!!! You need to provide an easy, correlated, and documented transaction history for your Robinhood account. This will help help the legal ape family. If anyone can develop a systemic approach to data collection for the law firm that would be APE!!! Help them build the spread sheet and help the Ape Army!!!

This law firm is fam! Maybe 2 lawyers and 2 paralegal to manage 1M cases. Oh my MF GD? I am calling on the Ape Army to help facilitate information bottlebecks for our law Apes. Put up, or shut up, time is up apes.

Apes Strong Together!
