I just got off the phone with FUDelity and finally transferred to CS. (I know, I know. Sorry it took so long.) So what's the next step? I looked through the pinned post on SS and there's so much info on there it's a little overwhelming. Maybe I just missed the part I'm looking for? Anyway, I thought asking the apes was the quickest way to find this answer. Thanks in advance for the help ■
