Hi Developers at [REDACTED]

After a recent review, we found that your app The Tendie Stonk Game (com.vranjek.wsbgame) is not compliant with one or more of our Developer Program Policies. See below for more information about your app's status and how to correct the issue.

	<p><b>Issue with your app</b></p> <p>Your app contains content that doesn't comply with the Metadata policy. Specifically:</p> <ul style="list-style-type: none"><li>• The app title or description does not accurately describe the app's functionality.</li></ul> <p><b>Issue details</b></p> <p>We found an issue in the following area(s):</p> <ul style="list-style-type: none"><li>• Full description (en_GB): "To the moon." [REDACTED]</li></ul>
	<p><b>About the Metadata policy</b></p> <p>We don't allow apps with misleading, improperly formatted, non-descriptive, irrelevant, excessive, or inappropriate metadata, including but not limited to the app's description, developer name, title, icon, screenshots, and promotional images. Developers must provide a clear and well-written description of their app and avoid using repetitive or unrelated keywords or references. We also don't allow unattributed or anonymous user testimonials in the app's description.</p>
	<p><b>App status: Removed</b></p> <p>Your app has been removed due to this policy issue. This app won't be available to users until you submit a compliant update.</p>

# The Tencie Stonk Game

Jan Vranjek Arcade

★★★★★ 5

PEGI 3

This app is available for all of your devices

Installed

Wall street based video game. Try to reach the highest amount of GME stock price/the moon by tapping the screen. Avoid the "paper hands" which will crash your "tencie rocket" in the ground and make you loose money. Simply tap again to reinvest your money and try to reach new peak value of the stock.
