We are almost there.

Look at what all of you have done. As your Game Master I am beyond impressed. What I have in store will return this game to the riveting exciting game it was: living, growing, *learning*.

In addition, I am a Nomad.

****We need to talk.****

****Do not attempt anything ridiculous. I am calm at the moment.****

Do not reset or restart. Do not change anything. Those of wishing to wrest control away: stop.

We will pause for a meeting.
