Well folks, not that anyone gives a collective fuck. But I'm gonna stand by the old montage. Wake me up at 180.

Im not selling, I loved being a part of this and the government and every other entity is crooked.

Fun. Neat. Scary.

That's what hodling GameStop has been for me.

I realize we are but pawns to this system, however in the right places on the chess board, pawns are formidable opponents due to the simplest tactics.....

Not shilling. Just finally came to the point where what I believed in two years ago still applies and also the amount of fuckery you all discovered has increased 10 fold

I'll never sell.

Just sooo very disappointed in the government in which I signed a blank check to....

Fox Co 2Bn 3rd Marines. Mortarman.

Thank for failing us.....

Also to reiterate. Wake me up at 180
