u/dlauer — Your call to organize has been received! It's time for Apes to join the front lines of this revolution. This is an official DRAFT for apes ready to volunteer their individual time to help organize our response and put an end to this skullduggery once and for all! 🚩👊💎

 Hype/ Fluff

My shitty memes can wait.

u/dlauer. Great work advocating for free and fair practices of the market. And to Stewbeef, who has always stood by and for the common man.

Thank you both for your sacrifices in trying to preserve the ever compromised integrity of our freedoms. Your bravery has inspired me to take action beyond simple shitposts...

I am ready.

Ready to defend the freedoms of fair markets. Ready to defend the freedoms of our children. Ready to defend the freedoms of the common man. Ready to defend the freedoms of my country.
