After spending the night in Chicago at Midway International Airport, Mayo Force 2 left today/tonight Monday 1/3/22 and touched down at Palm ■ Beach International in West Palm Florida. Mayo Force 1 is still back at Midway International. Other than a little price movement on our favorite stonk not much happening other than a certain coin is still falling. Currently at about \$46,000 USD. Well hope we have a more interesting day today than yesterday. Take care fellow Apes ! GME to the moon ■.

Edit: proof read my post but not the title. What a ASS ! Meant to say Mayo Force Up Date not Mayo Force Undate. But you know what I like the sound of it just like I like the sound of No Dates ! Might start using it more just to give a certain few butt heads something to bitch about besides peeping on Kenny boy ! LOL !
