Si hadn't received my GME dividend yet and contacted my bank. They replied today with:

Geachte heer ,

De betaaldatum van de split is vastgesteld op 26/07.

Onze broker zal dit boeken zodra alle aandelen in hun bezit zijn.

Met vriendelijke groeten

Sarah

Translated it means:

Dear sir,

The payment date for the split is on the 26th July

Our broker will book this once all shares are in their possession.

Kind regards

Sarah

So Now I'm wondering, is it a bit hard for brokers to find shares? Are they going to have to hit the market today or tomorrow to find shares?
