**Fidelity**

## Chat with us

Proxy materials are provided through a third-party vendor after receiving confirmation from the issuer. Fidelity will provide proxy voting materials to shareholders of record as of April 8th, 2022, via the established delivery method (Mail Delivery or E-Delivery) set by the account owner. Please note that proxy voting materials are normally ready approximately

## Chat with us

note that proxy voting materials are normally ready approximately three weeks after the record date. As a reference, GME's record date last year was April 15th and proxy voting materials became available to Fidelity account holders on May 5th.

If shares were transferred into Fidelity after April 8th, the former broker is responsible to provide
