The recent passing of u/BluPrince and reading all the posts and comments about their acts of kindness, I have been inspired to help fellow Apes out in a small way. Provide your wallet address in the comments and I will send you the fee to activate L2 on your GameStop wallet. I've seen some other Apes doing this as well and thought it was a great idea to give back to the community in a small way. I have \$50 I can spare.

BUY. HODL. DRS. VOTE. GME. Moon Soon.
