\*\*\*Ballad of the Ape\*\*\*

Second thought ourselves twice

Went around the sun once

Seen u/crlands butt

Been to three brokers

I even know a man in Chicago with mayo on his c\\*ck

Pushed more shares with more flair than any other share pusher around

I'm a smoothed brained, complete retard, purple-ringed, FUD fighting, DDing, HODLing mother f\\*cker

There aint nothing I can't do

No hedge to big, no MSM to snuff, no FUD to tough

Learned a lot of lesson in my life

Never come after a generation of gamers with the long-game

I play all types of games

RTS, FPS, MOBA, RPG, even those great sports games where you can play as your favorite team

Anything fight worth fighting is worth over-fighting

Selling is for cowards

I'm an APE, a HODLer, a GME shareholder

I'll buy the dip and watch it rip

And wait for the next dip when Kenny feels generous

So if you feeling the heat, Kenny, then you better short more

Because this ape's been here, I've done this, and I'm waiting for more

Cheers, apes.
