Can hardly sleep I'm picking up the new Pokémon game for switch from Gamestop, and going to pick up 10, 15, maybe more shares that be moved to where they will never fall into the wrong hands! Not necessarily in that order. Just a gut feeling, but I don't think this discount will last much longer, and in the past I've come to regret it when I ignore that feeling. Next week will be too late I'm catching the rips. Not Financial Advice, have a good week everyone!
