Do the posts outlining the contributions make sense to any of you now? Or still too cryptic? Still requiring too much effort to consume, and too difficult for so many to pull resources and work together for once?

He *bought* the Constitution.

He directly used \$43m Tendies to do so. AFTER the ink dried on those certs.

Do theg ■. Did any of you? Are any of you?

So much for tin ■ conspiracy theorist ■'s when it's true.

It's NOT just about \$GME.

It's not on the shoulders of RC. It's on the shoulders of each and every one of us. Retail as a whole ACROSS the markets. Or is that too crazy...to shilly a concept?
