Big pump yesterday with dozens of fabricated articles hyping the NFT plan without any announcement from Gamestop. Strategic sell off today to make it look like "the plan" failed, followed by these news article headlines from Bloomberg, Yahoo, Benziga, etc:

"Is GameStop's NFT Plan a Dead End?"

"Gamestops crypto rally fizzles"

"GameStop's NFT plan is dead on arrival"

"GameStop attempting to attract investors with all the latest buzzwords"

"Why gamestops NFT news is the latest in retail attempts to capitalize of the fad of 2021"
