

Title: Anchorage Capital has a history with GME + retail short basket. Have a look at the Fintel page.

Reading the news about Anchorage Capital shutting down prompted me to check their page on Fintel. Here are a few of the relevant screenshots of their GME positions, shorts in other members of the retail short basket and portfolio at large. Maybe some wrinkle brains can find clues in connections to this fund because they have an indisputable history with GME (as far back as 2014) among many others in the retail short basket.

Also while I have the spotlight - the price is wrong! Buy, DRS, HODL and shop!

P.S. DRS!

P.S.S. Shoutout to [u/WetDirKurt](<https://www.reddit.com/user/WetDirKurt>), what a fucking hero. "[This man closed at \$5, and you did not.](https://www.youtube.com/watch?v=S_VFot2gSOM)"

Edit: Here are the total short positions currently "DiScLoSeD" * Dr. Evil air quotes. *
