## Trade on your schedule with more extended hours

Starting today, we're offering four more extended hours for equities trading, two hours in the morning and two in the evening. So you can trade earlier, or trade later—on your schedule.

- Pre-market now available **7–9:30 AM ET**
- After hours now available **4–8 PM ET**

Now you have more flexibility to react to market events, like global news or quarterly earnings announcements.
