My friends asked me how to DRS from Hargreaves Lansdown, so I have wrote a step by step guide

DISCLAIMER: Hargreaves Lansdown doesn't allow DRS transfer, you need to transfer your shares to another broker which allow DRS transfer.

If you are US citizen the better way is to use Fidelity (fast, cheap and request by chat). If you are international investor you can use Interactive Brokers (IBKR). The quicker way if to open Interactive Broker account, buy share (link to guide ****here****) and request DRS transfer. Then you can transfer your shares from Hargreaves Lansdown to Interactive Brokers (IBKR) via Basic FOP Transfer (free), then from Interactive Brokers (IBKR) to Computershare via DRS transfer (\$5 (USD) fees).

How to Transfer:

- Send an email with subject defined as: "(Your HL Client Number) - Transfer out request" to HL ([helpdesk.emailteam@hl.co.uk])(<mailto:helpdesk.emailteam@hl.co.uk>)
- In the text of the email: "Please see the attached letter as authorisation to my request to transfer the securities held in my stocks and shares ISA over to my interactive brokers account as detailed in the attached letter."

The transfer should be performed on 3 business days. You will receive an email confirming that the transfer was successfully performed.

After your shares reach IBKR:

Now you are able to request the DRS transfer from IBKR to Computershare. To do this you can follow our guide on how to DRS transfer from IBKR (link to guide [here])(<https://www.drsgme.org/direct-register-shares-from-interactive-brokers>)).

If you doesn't have Computershare account, first send one share via DRS, once your account is fully accessible (access to the web site and see the purple circle), send the troops !

■=D ■■■■■=R ■=S : This is the way ! A lot of info are available on drsgme.org

As you know DRS is our ONLY weapon against the Financial Terrorists, we have for remove the shares from DTCC in order to reduce the SHF ammunition to do their fuckery.

As always :

Holy Mary, Jesus Christ, DRS is the way. Continue to transfer, every share count. The float have to be locked up, 100% DRS, no more shitty broker and see you to the moon.

Be The Change You Want To See In The World !
