Ima fairly new APE and just saw an ad for a show called "**Rich & Shameless**". The next episode is named, "**Pharma Bro vs. Wu-Tang Clan**".* Its described as, "When hedge-fund wunderkind Martin Shkreli jacks up the price of a cheap AIDS drug, he quickly becomes America's Most Hated Man. Instead of running, he doubles down by starting a bizarre war of words with hip hop legends the Wu Tang Clan." Its available May 9th on TNT

If you go to the link there's a guy kneeling down in front that looks a lot like Ryan Cohen, to me, and his hoodie looks familiar, too. I could be wrong, though.
